Potential investors should read the prospectus of the Company dated 30 June 2016 for detailed information about the Company before deciding whether or not to invest in the shares of the Company and should exercise caution when dealing in the Company's shares.

Shares of Vincent Medical Holdings Limited Commence Trading on The Main Board of the Stock Exchange

(Hong Kong, 13 July 2016) -- Shares of **Vincent Medical Holdings Limited** ("**Vincent Medical**" or the "**Group**") (Stock code: 1612), the second largest¹ exporter of respiratory and anaesthesia disposables in China and a Hong Kong-headquartered medical device group, commenced trading on the Main Board of The Stock Exchange of Hong Kong Limited ("SEHK") today.

Mr. Vincent Choi, Founder, Chairman and Executive Director of the Group, said, "The listing of Vincent Medical on the Main Board of the Hong Kong Stock Exchange signifies another important milestone in the Group's development. We believe that the listing will bolster our financial capabilities and provide an ideal platform for us to seize emerging opportunities in the growing medical devices industry. Looking ahead, by leveraging the Group's solid OEM business foundation, established relationship with leading healthcare and medical device companies as well as the established 'Inspired Medical' ("英仕醫療") brand and the growing OBM business complemented by stringent quality assurance and cost efficiency we can sustain business growth. In addition, our experienced and dedicated management team has accumulated in-depth knowledge of the production of medical devices enabling us to grasp the opportunities in the industry and further expand in the global markets. We pledge to diligently strive to the best of our ability to deliver good results to our shareholders."

¹ According to the commissioned report prepared by China Insights Consulting Limited ("CIC Report") based on export value in 2015

About Vincent Medical Holdings Limited (永勝醫療控股有限公司)

Established in 1997, Vincent Medical Holdings Limited is a Hong Kong-headquartered medical device group. The Group develops, manufactures and sells a wide range of medical devices, focusing on respiratory products, imaging contrast media power injector disposable products, and orthopaedic and rehabilitation products, which satisfy internationally-recognised quality assurance standards, to its customers in China and overseas markets. The Group has established its OEM business since its inception and its OBM business in 2003 with its "Inspired Medical" ("英仕醫療") brand. According to the CIC Report, Vincent Medical was the second largest exporter of respiratory and anaesthesia disposables in China based on export value in 2015. The Group has developed a domestic and overseas distributorship network for its OBM business, which has over 380 distributors and other customers in China in 2015, and 42 overseas distributors and other customers in various countries such as Australia, Japan, Korea, Indonesia, India, Chile, Brazil and Saudi Arabia in 2015.
