*Enterprise Asia***

(Hong Kong, 20 November 2020) – **Vincent Medical Holdings Limited** (“Vincent Medical” or together with its subsidiaries, the “Group”, stock code: 1612), a global respiratory medical device supplier, is pleased to announce that the Group is awarded the “Corporate Excellence Award” under Asia Pacific Enterprise Awards (“APEA”) 2020 Regional Edition by *Enterprise Asia*. Vincent Medical has been recognized for its continuous dedication to bring innovative, high-quality, and reliable medical devices to the global market. Mr. Vincent Choi, Chairman of Vincent Medical, is also awarded the “Master Entrepreneur Award”, testifying to his vision, leadership and contribution to the company and the industry.

Commenting on the award winning, **Mr. Vincent Choi, Chairman of Vincent Medical**, said, “I sincerely thank the panel for their recognition. Vincent Medical will strive to remain on the fast lane and will continue to invest in R&D and fostering talents in the industry. The Group will continue to stay focused on our core competence in respiratory area, and our management will be fully dedicated to promote the continuous growth of Vincent Medical. Last but not least, we will also continue to serve the society and practice good corporate citizenship.”

On his personal award, Mr. Choi said, “It is my great honor to receive recognition from Enterprise Asia as a token of appreciation for my personal and my colleagues’ contribution. Despite our successful transition from a traditional OEM player to a technology-based medical

company with self-owned patents and brands, we will continue to embrace the passion and responsibility as a medical device company, and to take Vincent Medical to the next level.”

Organized by *Enterprise Asia*, the leading non-governmental organization for entrepreneurship in Asia, the APEA is a regional awards program which aims to recognize Asia’s outstanding entrepreneurs and enterprises for demonstrating sustainable growth, responsible leadership and operational excellence.
