**VOLUNTARY ANNOUNCEMENT
FDA 510(k) CLEARANCE OF
THE inspired™ VHB20 HEATED HUMIDIFIER**

This announcement is made by Vincent Medical Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis with the purpose of allowing the investing public to understand the latest business development of the Group.

The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to announce that, the Group has recently been granted the 510(k) clearance from the United States Food and Drug Administration (the “**FDA**”) for its inspired™ VHB20 heated humidifier (the “**Humidifier**”).

The Humidifier is the first FDA 510(k) cleared electronic device of the inspired™ brand. It is a respiratory humidifier that provides a heat source and temperature control to warm and humidify cold and dry medical gases. Warmed and humidified medical gas is then delivered to patients requiring mechanical ventilation or positive pressure breathing assistance. The Humidifier is an active humidification system that can automatically maintain temperature and relative humidity settings as selected by healthcare professionals, and is adopted for infant to adult patients within a hospital environment. It can be used for treatment of multiple patients after the replacement of consumables for each treatment cycle for each individual patient.

Earlier in October 2022, at the 35th Annual Congress of The European Society of Intensive Care Medicine, Dr. François Lellouche, a critical care physician at the Institut Universitaire de Cardiologie et de Pneumologie de Québec and associate professor at the Faculté de médecine at Université Laval, presented his findings at a poster presentation and stated that based on the preliminary data from bench testing in a specialised laboratory, the humidification performance of the Humidifier appears to outperform other comparable heated humidifiers used in the evaluation.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.

By Order of the Board
Vincent Medical Holdings Limited
Choi Man Shing
Chairman and Executive Director

Hong Kong, 3 January 2023

As at the date of this announcement, the Board comprises Mr. Choi Man Shing, Mr. Choi Cheung Tai Raymond, Mr. Koh Ming Fai and Mr. Fu Kwok Fu as executive Directors, Mr. Guo Pengcheng as a non-executive Director, and Mr. Mok Kwok Cheung Rupert, Mr. Au Yu Chiu Steven and Prof. Yung Kai Leung as independent non-executive Directors.
